Manchester Foundation for Education

First Annual

Spelling Bee

March 24th, 2015

Memorial High School -
Arthur J. Mirabile Auditorium

About Us

Manchester Foundation for Education is an independent community non-profit organization founded to strengthen public education in Manchester, NH by engaging community members as partners in the pursuit of educational excellence.

Since our founding we have worked to bring together the business and education community to provide professional development workshops to high school teachers. We have also worked with the school district's attendance officer and social workers to provide alarm clocks to students struggling with chronic attendance issues. Most recently we sponsored the Greater Manchester Chamber of Commerce Educator Leadership Greater Manchester program. The leadership program brings together teachers from all of the City's high schools and provides them the opportunity to learn, from experts in various fields, what skills are necessary for students to be successful.

We intend to continue this partnership and expand programming which will enhance educational opportunities for all of Manchester's public school students.

1st Annual MFE Spelling Bee...for Adults

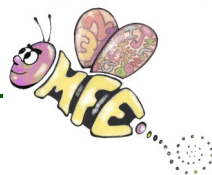

This fall, MFE will host a low-key fun spelling event. This event will foster some good natured competition among teams while raising money for this great organization. Don't worry...there will be NO individual spelling. All participants will compete in teams, or hives, of 3 and will work together to spell each word. There will be 6 rounds of competition with 7 hives per round. The winning hive from each round will compete in the final championship round to earn the honor of being named the Queen Bees of spelling.

The entry fee for each hive is \$300. MFE board members are working hard to secure sponsors for each hive. Your organization is welcome to put together a hive or provide sponsorship for a hive comprised of Manchester School District faculty and staff.

During each round our pronouncer will read a word and each hive will have 30 seconds to work together to spell the word and write it on a white board for the judges review. Each team will get 2 misspelling chances and will be eliminated from a round on the third misspelling.

Each team is encouraged to come up with creative names and costumes to make this event even more fun. Separate prizes will be awarded for best team name and best team costume.

If you would like to register a hive or sponsor a hive, please contact MFE at staceyweigler@mfenh.org!
